CROOK NFT PRICING

Every Crook cost 100 CRO or about \$20 at current market prices. Pricing is fair for everyone regardless of Secondary pricing. This is so anyone regardless if your a collector or flipper can utilize this project to meet your goals easily and efficiently.

We thought about things before we launched our project, we wanted it to be affordable for everyone. Everyone has \$20-40 Bucks to maybe spare. Not everyone has \$40-\$80 to gamble on a JPEG that may or may not bring them any further benefits besides ownership.
